Week Beginning 22nd June

Below are some activities for you and your child to have a go at together. As always, Tweet or email to let us know how you get on and feel free to email me if I can help in any way.

Traditional Tales

This half term, our Traditional Tale is 'The Three Billy Goats Gruff'. Can you perform it, either on your own or with someone else? You could try acting it out or putting on a puppet show, using toys or sock puppets.

Who's that trip-trapping over my bridge?

Rhymes of the Month

For June, our rhymes are: 'I'm a Little Teapot' and, our counting rhyme, 'Ten Green Bottles'.

I'm a Little Teapot

I'm a little teapot,
short and stout,
Here is my handle,
Here is my spout.
When I get all steamed up,
Hear me shout,
Tip me up and pour me out!

Ten Green Bottles

(Sing to the tune of 'Ten Green Bottles'.)

Ten green bottles standing on a wall,
Ten green bottles standing on a wall,
And if one green bottle should accidentally fall,
There'll be nine green bottles standing on the wall.
Nine green bottles standing on a wall ...
There'll be eight green bottles standing on the wall.
Eight green bottles standing on a wall ...
There'll be seven green bottles standing on the wall.
Seven green bottles standing on a wall ...
There'll be six green bottles standing on the wall.
Six green bottles standing on a wall ...
There'll be five green bottles standing on the wall.
Five green bottles standing on a wall ...
There'll be four green bottles standing on the wall.
Four green bottles standing on a wall ...
There'll be three green bottles standing on the wall.
Three green bottles standing on a wall ...
There'll be two green bottles standing on the wall.
Two green bottles standing on a wall ...
There'll be one green bottle standing on the wall.
One green bottle standing on a wall ...
There'll be no green bottles standing on the wall.

Challenge

Can you practise every day and see if you can beat your score?

(MH/N/SSM)

Under the Sea

Have a go at counting the sea creatures and see if you can match them to the correct number, from 1 to 5.

Challenge

See if you can play the game with numbers 1 to 10!
