## HAND IN HAND - BUILDING FOR THE FUTURE

### Healthy eating

Healthy eating is a key part to our ethos around empowerment. To be prepared for learning, pupils need to be well-rested, well-fed and properly nourished.

As a healthy school, we recognise the importance of investing in health and wellbeing to assist the process of raising children's achievement levels and we take pride in promoting physical, social, emotional and mental health.

**Snack time.** Children are encouraged to bring in a healthy snack of their choice which can be eaten during their snack time. For example: A piece of fruit, carrot, cucumber or pepper sticks, crackers, a piece of cheese.

### We are a NUT FREE school.

Please take extra care if preparing food at home for school lunches and always check the labels.

### Mobile Phones

Children are permitted to bring mobile phones to school when:

- ◆ Travelling to school by themselves.
- ◆ For special occasions such as Prom or leavers Assemblies.

Children and parents must sign a consent form.

If a mobile phone is brought into school by a pupil it must be stored securely in the office.

### Sanctions

If a pupil is in breach of this policy:

Phones will be confiscated. (Schools are permitted to confiscate phones from pupils under sections 91 and 94 of the [Education and Inspections Act 2006](#)) Confiscated mobile phones will be collected from the office by a responsible adult.

## Parking

We have received a number of complaints with regard to safety and parking at drop off and collection times. If travelling by car please adhere to the road markings and help avoid congestion around the school at these particularly busy times.

If you would like to complain about the parking issues please complete the Staffordshire County Council parking form on the link below. The more complaints they receive will result in a parking warden attending the school at these busy times.
