Dear Parents,

At the end of last term we gathered as a school to celebrate 20 children achieving 100% attendance for the academic year. I'm sure you will agree this is a great achievement. Unfortunately, as a school, our overall attendance was 95% this is just below our school target of 96%. This is something that we are keen to improve as regular school attendance is not only a legal requirement but also allows pupils to maximize their educational opportunities.

There are various ways in which we aim to improve and promote good attendance.

These include;

- Regular newsletters- highlight good attendance and attendance concerns.
- Colour coded letters to parents/carers related to levels of attendance.
- Parents/carers are informed about school attendance and expectations and punctuality.
- 100% attendance is recognised in assembly at the end of each term.
- During our achievers assembly on a Friday the class with the highest weekly attendance
