To the parents and guardians of the pupils attending
Bridgtown Primary School

03 July 2018

Dear Parent or Guardian,

Recently I had the pleasure of visiting Bridgtown Primary School and joined the pupils in assembly as part of their Democracy Week.

The pupils asked some interesting questions and I provided them with an insight into life as a Member of Parliament. The pupils really were a delight to talk to and demonstrated a fantastic understanding. It was clear that they had all had an informative and fascinating week learning about the importance of democracy, studying the Suffragette movement and celebrating one hundred years since women first received the right to vote.

Whilst at the school, I also had the opportunity to meet the School Council and Eco-Council. The members were very enthusiastic about the great work that they are undertaking to improve both the school's power saving and recycling habits. The school clearly has very engaged and talented students.

I wanted to write to you to say how impressed I was by all the pupils and they do you and the school immense credit.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Amanda'.
